Launch of Mildura Development Corporation 11 August 2009

Mildura Development Corporation will be holding their official launch on Wednesday 12 August at the new office location, 101 Lime Avenue, Mildura.

Formed in April 2009, Mildura Development Corporation replaces the Sunraysia Mallee Economic Development Board (SMEDB), which was a Section 86c Committee of Mildura Rural City Council.

SMEDB was funded through the collection of a differential rate levied on all business premises in the Mildura Rural City Council, and Mildura Development Corporation will continue to be funded in this way, while maintaining independence from council.

“We are very excited about our new office location and new structure”, said Mildura Development Corporation Chairman, Mr Dane Huxley.

“Since the formation of Mildura Development Corporation, we have engaged with business and industry to develop a strategic plan which will forge the way forward in helping us achieve our vision of *creating our region’s future*”, Mr Huxley said.

Mildura Development Corporation will be officially launched by Mayor of Mildura Rural City Council, Cr Glenn Milne.
