Ref #0046 – Assistant Manager - ANZ

Your role as an Assistant Manager is an integral part of our business service proposition. You will assist the Relationship Manager to develop sustained business growth whilst maintaining sound risk management to ensure that a quality portfolio is maintained. You will conduct analysis of clients' financial statements, annual review of financial performance and lending facilities; assist clients with internet banking, credit cards, merchant facilities and other electronic transaction.

You will also participate in on boarding process and credit approval activities whilst maintaining appropriate credit quality standards. You will also communicate with customers, by efficiently responding to queries and problem resolution.

To be successful in this role, you will ideally bring the following:

- Strong financial analysis and understanding of the structuring of security arrangements
- Demonstrated customer service (internal and external) including relationship building
- Excellent Communication skills across internal and external stakeholders
- Interpersonal Skills: confidence, professionalism, integrity and strong sense of accountability
- Strong organisational skills and attention to detail

Ref #0049 Mallee Catchment Management Authority – Working For Victoria

The Mallee CMA is looking for team members to help support the irrigation and dryland Agricultural sectors of the Mallee Region to build resilience to climate change, strengthen bio-security, animal welfare and promote confidence in agriculture. The team members will also support positive environmental outcomes in Victoria's Catchments across the Mallee Region.

All members will be provided with Personal Protective Equipment (PPE) and appropriate induction and safety training to ensure they are complying with COVID-19 requirements and all other OHS requirements.

No certificates are required but first aid, chainsaw and chemical use certificates would be seen as advantageous. Full drivers' licence is required with a preference of some 4x4 experience.

Delivery of on ground works on crown land, including but not limited to;

- Managing weeds.
- Pest animal control.
- Planting and maintaining revegetation sites.
- Building and maintenance of fences.
- Other on-ground activities as required.

Candidates can apply for this position by registering for Jobs Victoria by following this link [Register to find job and training opportunities | Jobs Victoria](#)

Ref #0059 Farm Hand

Local farm based in Iraak is looking to employ 3x farm hands. This is a casual role that can turn into fulltime employment for the right candidates.

This farm is undertaking significant development work and is currently producing grapes, citrus, avocados and mangos. Duties will include all forms of farm work including irrigation, machinery operations, manual labouring, assisting during harvest etc.

It would be ideal that candidates possess the below, however the employer is happy to take on someone new if they possess the right traits and demonstrate their willingness to learn.

To be successful in this role you should have/be:

- Reliable
- Physically fit
- Able to commit to long hours and weekend work
- Experience with operating tractors
- Hold a Chem users certificate

Current drivers licence and reliable transport

Ref #0060 – Umpires Manger

AFL Sunraysia seeks a talented individual to assist with the recruitment, development, scheduling and retention of Australian football umpires to service the needs of the SFNL, MFL and SWFL for 2021.

The temporary/contract role will commence in late January, and will play an integral role in the strategic direction of the Sunraysia Football Umpires Association.

Hours are flexible, with the successful candidate having the ability to work from home.

The ideal candidate will have experience in sports administration and would have a keen interest in Australian rules football.

For more information, please contact Don Harley don.harley@afl.com.au

Ref #0062 – Graphic Design/Reception/Administration

Local engineering/laser cutting business is potentially looking for a Graphic Designer. This role would also include reception/administration duties alongside the graphic designing. Designs are created in illustrator then transferred to AutoCad which is then programmed into the laser cutter to create the final product.

This role would be suited to a person that;

- Has a willingness to learn.
- Experience with Adobe, illustrator and AutoCad. (training will be provided)
- Strong customer service skills.
- Strong organisational skills and attention to detail.

Ref #0063 Apprentice Engineer

Local engineering business looking to put on an apprentice for engineering. This role would largely be based around laser cutting. Computer drafting knowledge or aptitude would be highly regarded.
